

## ABSTRACT

[illegible]

**G.O.Rt.No. 905**

**Dated.22-12-2008.**

1. From the ENC, TGP, Srikalahasti, Lr.No.ENC/TGP/SKHT/HNSS/Pkg-18, dated. 27.10.2008.
2. From the SE (A/C), AVRHNSS Circle No.3, TGP, Lr.No.SE/AVR-HNSS/Circle-3/MPL/DB/AE Comp.. dt. 10.11.2008.

In the references read above, the Engineer – In – Chief, Telugu Ganga Project, Srikikalahasti has stated that it is proposed to feed the Veligallu Reservoir through Papagni (River) during low flows of the river through HNSS main canal as it is passing close to the river which is the feeder of Veligallu Reservoir. A regulator cum off take sluice is proposed on the HNSS main canal to let water from the canal through link canal to discharge 14.0 Cumecs to feed the Papagni River thereby feeding to Veligallu Reservoir. The location of the off take is tentatively fixed at Km 482.650 of HNSS main canal. The FSL of HNSS main canal at this location is + 430.325 M where as the FRL of Veligallu Reservoir is 420.000M. The proposal envisages utilization of flood water from the fore shore of Srisaillam Reservoir through Papagni (River) during low flows by feeding Veligallu reservoir to augment drinking water in the drought prone areas in Kadapa District.

2. The Engineer-In-Chief Telugu Ganga Project, Srikalahasti has further reported that the water is proposed to be drawn from AVRHNSS main Canal and let out through Papagni River to feed Veligallu Project. The water is neither proposed to be drawn from any tank foreshore on upstream nor utilizing any water that is going to the lower down tanks. The proposals does not interfere any catchment area of any tank on upstream. Hence the proposal will not effect any URR and LRR with regard to Papagni River basin.

3. The Engineer-In-Chief, Telugu Ganga Project, Srikalahasti has therefore requested Government to accord administrative approval for an amount of Rs. 7,00,68,000/- for construction of link canal to feed Veligallu Reservoir from off take at Km 182.65 of HNSS Project Phase-II.

4. The Government after careful examination hereby accord administrative approval for Rs. 7,00,68,000/- ( Rupees Seven Crores, Sixty eight thousand only)" for investigation, designs, drawings and construction of link canal to feed Veligallu Reservoir from off take at Km 182.65 of AVRHNSS Project Phase-II. as per the details annexed to this order.

5. The above expenditure is chargeable to the following head of account:

D.A. 4701 – COL -utlay on Major & Medium Irrigation – 01-Major Irrigation – Commercial – MH-137–  
HNSS - SH 26 – D & A – SH (27) C&D – Under State Plan”.

P.T.O. .... 2 .....

:: 2 ::

6. The Engineer – In – Chief, Telugu Ganga Project, Srikalahasti shall take further action accordingly.

7. This order issues with the concurrence of Finance (W&P) Department Vide their U.O.No.5011/F7 (A2)/2008-1, dated. 08-12-2008.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

RAJIV RANJAN MISHRA
